- Again, a great choice for this band! lovely style, nice and light throughout. Great note / detail preparation here. So many tricky passages that were executed to a "T" 😊
- I like how you did not overdo accents but still brought them out.
- Very good attempt at dynamics too.

27) Wow- wow's
30) beautiful balance. →

(44) - Careful of piton
as you descend - will
keep support to end of
line! - Work on this in Warm-up.

(60) Obse - Nice.

67-71 - great work on accents
inner parts here.

76 - tasteful rite dm!

Ending - Marked it!

Thanks for watching the boss.

This was a beautiful show.
So much hard work and
attention to detail.

Thank You all!
